info

THE NEW WORLD, a social welfare association for children and the youth from Sisak, is a nongovernmental organization established in 1997.

Our purpose is to take care of children and the youth, and to render assistance with their upbringing, education, growing up. Therefore, we are engaged in gathering and entertaining children and the youth, as well as organizing various activities to offer them an opportunity of spending their spare time in a more meaningful and useful way. Our sphere of activity also includes the promotion of basic values of life.

THE NEW WORLD is the initiator of several original programmes that have achieved an extreme popularity and success during the last few years in the area of the Sisak and Moslavina Country.

THE NEW WORLD today is a knowledgeable, experienced and exceptionally reputable association, open for cooperation, ready to accept new challenges.
